Do you want to include a poem? If so, please answer a few questions about you and your animal? (Include a separate sheet with your responses if needed)

Is your animal still alive? _____ Is this a gift for someone else? _____

Favorite toy? _____

Favorite game? _____

Has the animal ever embarrassed you? _____

Done something so loving it made you cry? _____

Any endearing or annoying habits? (the animal, not you!) _____

Anything you can share about your animal will help me write a suitable poem.

Photos for reference

At least two photographs would be good if you have them. Copies are okay as long as they're clear and the right color. You can mail them or use the Contact Form on the website to attach digital images. (Professionally done photos **require** a copyright release. Contact your photographer to get the release before sending photos to Deb)
